

## 2021 Sponsorship Opportunities Mid-Winters Dream Dinner

Fox Valley Food for Health's mission is to promote a nutrition focused community through teen education and serving those struggling with a health crisis. Each week, our teen chefs prepare healthy meals for Fox Valley families coping with a health crisis including cancer. The meals are delivered to the families for 12 weeks free of charge

We ask for your support so we can continue to make a difference in our community by sponsoring our 1<sup>st</sup> virtual event, our Mid-Winters Dream Dinner. Please support us this year as we work together to help those in need and provide a program for our teens to learn, grow and serve the critically ill in our community.

\*\*\*\*All sponsorships require an individualized invoice. If you are interested in sponsoring our event please contact [Zac Cesario](#) and include a .jpg logo.\*\*\*\*
