

July 2021

Dear Friend of Fox Valley Food for Health,

We invite you to join us as a sponsor for the **"4th Annual Under Harvest Moon"**, Saturday, October 16, 2021, 6pm – 10pm, at the Kane County Fairgrounds, 525 South Randall Road in St Charles, Illinois. This year we will be showcasing our wonderful healthy meals recipes from the Fox Valley Food for Health cookbook.

Since 2013, Fox Valley Food for Health has provided fresh nutrient-dense meals to people in the community who are struggling with a cancer diagnosis or other health crisis. The program's goal is to help change the way our community thinks about food and nutrition, and to encourage good health and wellness for everyone. Local high school students volunteer after school and together with their adult mentor chefs, learn critical culinary and leadership skills as they prepare healthy meals that are delivered to patients and families for 8-12 weeks free of charge.

During the challenges of COVID 19 and with a 70% reduction in volunteer participation in 2020/2021, Fox Valley Food for Health volunteers were still able to prepare and deliver over 33,000 meals to clients in need. To date, over 200 teens and 800 adult volunteers have helped us provide over 80,000 meals to families in the Fox Valley area.

Attached is our sponsorship package for your review. If you have any questions or need additional information, contact LaVerne Mathews, laverne@fvffh.org or (630) 377-0789, ext. 106.

We would appreciate your support as a sponsor this year as we work together to help those in need and provide a program for our teens to learn, grow and serve the critically ill in our community.

Sincerely,
