

March 2022

Dear Friend of Fox Valley Food for Health (FVFFH),

On Thursday, June 9, 2022, we will host the 4th Annual FVFFH Golf Outing at the Orchard Valley Golf Course, 2411 West Illinois Avenue in Aurora, Illinois. Registration starts at noon and Shotgun starts at 1pm. Proceeds from the Golf Outing will benefit our Healthy Meals and Teen Education programs. **We would like your company to be a sponsor for the event.**

Fox Valley Food for Health's mission is to promote a nutrition focused community through teen education and serving those struggling with a health crisis. Each week, area high school students (Teen Chefs) and their adult kitchen mentors prepare healthy meals for Fox Valley families coping with a health crisis including cancer. The meals are delivered by volunteers (Delivery Angels) to the families for 12 weeks free of charge. Despite the challenges of Covid-19 in 2019-2021, our volunteers have prepared and delivered over 50,000 meals to individuals in need.

Attached is a copy of the sponsorship package for your review. For more information, please contact our Director of Development, LaVerne Mathews via email at laverne@fvffh.org or (773) 405-9836.

Your support this year will allow us to continue to help those in need and provide to a program for our teens to learn, grow and serve the critically ill in our community.

Together, we can make a difference!

Sincerely,
